5.16 Arrangements to Pay Outstanding and Due Amount in Consecutive Installments

5.16.1 One of the key objectives of debt collection is to encourage debtors to start paying their monthly accounts in full. In addition, it is also necessary to ensure that arrear debt is addressed. The current average balances on consumer accounts necessitates that innovative ideas be implemented to encourage consumers to pay off their arrears. At the same time it is also of utmost importance that regular payers not be discouraged through the implementation of any possible incentives.

5.16.2 The main aim of an agreement will be to promote full payment of the current account and to address the arrears on a consistent basis. A debtor may enter into a written agreement with the Municipality to repay any outstanding amount due to the Municipality under the following conditions:-

5.16.2.1. The outstanding balance, costs and any interest thereon shall be paid in regular and consecutive monthly instalments;

5.16.2.2. The current monthly amount must be paid in full; and

5.16.2.3. The written agreement has to be signed on behalf of the Municipality by a duly authorized official.

5.16.3 In order to determine monthly instalments, a credit control official must take into account the income and expenses of the debtor.

- Firstly, to ensure the continuous payment of such arrangement the amount determined must be affordable to the consumer, taking into account that payment of the monthly current account is a prerequisite for concluding an arrangement.
- Secondly, the outstanding amount must be taken into consideration when an agreement is entered into. A minimum amount, based on the outstanding arrears need to be paid before the agreement can be concluded.
- Agreement on outstanding amount will be regarded as an interest free arrangement if consumer does not default from the agreement.
- The maximum agreement period may not exceed 24 months - also refer to Section 14(2) in Consumer Protection Act for outstanding amounts, cases where the agreement exceeds the 24 month due non-affordability of the consumer, the matter will be escalated to the Chief Financial Officer or his/her delegate to deal with the matter.

5.16.4 Consequences of breach of arrangement
