SECTION ONE

1. INTRODUCTION

1.1 WHAT IS PROCESS PLAN AND ITS FUNCTIONS

- ▶ In simple terms “The Process Plan is a municipality’s schedule of events detailing all events and activities involved leading to the drafting and completion of the 5 Year Plan [Integrated Development Plan – IDP].
- ▶ It is a statement that outlines in detail all the processes that the municipality will embark on in completing its IDP cycle”
- ▶ The Municipal Systems Act as promulgated in 2000 describes the various core processes that are essential to realizing a system of developmental local government. These aspects include participative governance, IDP, performance management and reporting, resource allocation and organizational change. These processes are linked into a single cycle at the local level that will align various sectoral initiatives from national and provincial government departments with municipalities own capacities and processes.
- ▶ Therefore, the purpose of this document is to outline the operational plan [an Integrated ‘Process Plan’] for the development of Integrated Development Plan for Bela-Bela Local Municipality. This process plan is based on the unique character and circumstances of Bela-Bela Municipality, taking due cognisance of the process plan requirements as outlined in the Municipal Systems Act (S 34.
- ▶ In order to ensure certain minimum quality standards of the Integrated Development Plan (IDP), a proper coordination between and within spheres of government, the preparation of the Process Plan has been regulated in the Municipal Systems Act (2000). The preparation of a Process Plan, which is in essence the IDP Process set out in writing, requires the adoption by Council. This plan has to include the following:

- A programme specifying the time frames for the different planning steps;

- Appropriate mechanisms, processes and procedures for consultation and participation of local communities, organs of state, traditional authorities, and other role players in the IDP drafting Process;
- An indication of the organizational arrangements for the IDP Process;
- Binding Process and Planning requirements, i.e. policy and legislation; and
- Mechanisms and procedures for vertical and horizontal alignment.

1.2 LEGAL REQUIREMENTS FOR IDP REVIEW

- ▶ Chapter 5, Section 25 (1) of the Municipal Systems Act (2000) indicates that, each Municipal Council must, within a prescribed period after the start of its elected term, adopt a single, all-inclusive and strategic plan for the development of the municipality which-
 - a) Links integrates and coordinates plans and takes into account proposals for the development of the municipality;
 - b) Aligns the resources and capacity of the municipality with the implementation of the plan;
 - c) Complies with the provisions of this Chapter; and
 - d) Is compatible with national and provincial development Plans and planning requirements binding on the municipality in terms of legislation.
- ▶ In terms of the core components of Integrated Development Plans, Chapter 5 and Section 26 of the Municipal Systems Act (2000) indicates that: an Integrated Development Plan must reflect:
 - a) The Municipal council's vision for the long term development of the municipality with special emphasis on the municipality's most critical development and internal transformation needs;
 - b) An assessment of the existing level of development in the municipality, which must include an identification of communities which do not have access to basic municipal services;
 - c) The council's development priorities and objectives for its elected term, including its local economic development aims and its internal transformation needs;

- d) The council's development strategies which must be aligned with any national and provincial sectoral plans and planning requirements binding on the municipality in terms of legislation;
 - e) A Spatial Development Framework which must include the provision of basic guidelines for a land use management system for the municipality;
 - f) The council's operational strategies;
 - g) Applicable disaster management plans;
 - h) A financial plan, which must include a budget projection for at least the next three years; and
 - i) The key performance indicators and performance targets determined in terms of Section 41.
- In terms of the Municipal Systems Act Section 28: Adoption of process
1. Each municipal council, within a prescribed period after the start of its elected term, must adopt a process set out in writing to guide the planning, drafting, adoption and review of its integrated development plan.
 2. The municipality must through appropriate mechanisms, processes and procedures established in terms of Chapter 4, consult the local community before adopting the process.
 3. A municipality must give notice to the local community of particulars of the process it intends to follow.
- In terms of the Municipal Systems Act Section 34: Annual review and amendment of integrated development plan
1. A municipal council-
 - (a) Must review its integrated development plan—
 - (i) Annually in accordance with an assessment of its performance measurement in terms of section 4 i; and
 - (ii) [o the extent that changing circumstances so demand; and
 - (b) May amend its integrated development plan in accordance with a prescribed process.

1.3 KEY ELEMENTS TO BE ADDRESSED DURING REVIEW PROCESS

SECTION FOUR

4. MECHANISMS FOR PUBLIC PARTICIPATION

Section 16(1) of the Municipal Systems Act 2000 states that municipality must develop a culture of municipal governance that complements formal representation. This means that a municipality must create conditions for the local community to participate in its affairs, including the involvement of the community in the preparation, implementation and review of IDP's. Community based Planning (CBP) is considered the preferred form of participatory planning designed to promote community action and to link IDP/Budget/PMS as it provides a mechanism for entrenching participatory planning and management at ward level. Community Based Planning form the basis of community involvement in the development of IDP/Budget/PMS.

Four major functions can be aligned with the public participation process, namely:

- ▶ Needs identification;
- ▶ Identification of appropriateness of proposed solutions;
- ▶ Community ownership and buy-in; and
- ▶ Empowerment.

4.1 Ward Committees

- ▶ Ward committees are utilized as communicating agents to the community;
- ▶ They were and continuously trained on IDP/Budget/PMS and also on the reporting style, further they seat on IDP/Budget/PMS Forums and participate in all strategic Workshops of the Municipality; and
- ▶ Provision of secretarial during IDP/Budget/PMS public meetings.

4.2 Ward Based Plans

- ▶ Ward-based Plans complements the IDP/Budget/PMS.
- ▶ The ward plan aims at channeling ward development agenda by encouraging the broader and maximum involvement of community members and stakeholder in bringing about high quality of life in all nine (9) Wards of the Bela-Bela Local Municipality.
- ▶ Maximizes community participation at a grass root level as the process of developing them is highly participative.
- ▶ The process of establishing Ward Based Plans of each ward in Bela-Bela Local Municipality comprises of the following: Office of the Speaker: Ward Committee Coordinator, Divisional Manager: Communication, Divisional Manager: IDP, Budget and Treasury Division, and Divisional Manager: PMS.
- ▶ All nine (9) wards of Bela-Bela Local Municipality has developed community based planning.

- ▶ Ward Based Plans are informed community needs and ward plans priorities, therefore, they are catered and aligned to the IDP/Budget/PMS.
- ▶ Bela-Bela Local Municipality review Ward Plans on annual basis.

4.3 IDP/Budget/PMS Representative Forum

This forum will represent all stakeholders and will be as inclusive as possible. Efforts will be made to bring additional organizations into the IDP/Budget/PMS Rep Forum and ensure their continued support and participation throughout the process.

4.4 Mayoral Roadshow

The venues of these meetings will be publicized at the IDP/Budget/PMS Rep Forum as well as through the media.

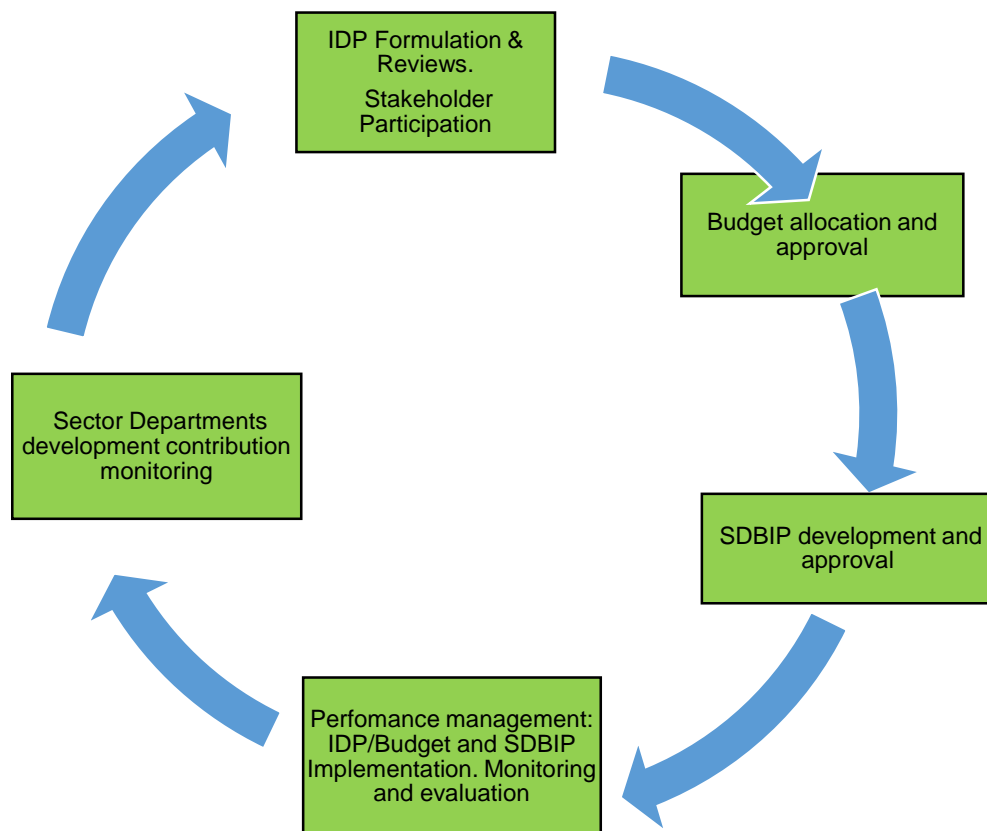

4.4 Media

- ▶ Flyers-to be distributed in Public Facilities;
- ▶ Local Newspapers are commonly used to advertise dates and venues of meetings and other notices; and
- ▶ Word of mouth-we rely more on ward committees.
- ▶ Loud-hailing
- ▶ Social Media
- ▶ Main stream media
- ▶ Any persons that cannot read or write may come to the municipality to have their comments/ representations transcribed for them as contemplated in Section 17 of the MSA.

SECTION FIVE

5. ALIGNMENT OF THE IDP, BUDGET & PMS

Every attempt has been made in this Process Plan to align the IDP/Budget/PMS review. The linkages of the processes are summarised in the following diagram:-

SECTION SIX

SECTION SEVEN

7. CONCLUSION

The way forward is for all Municipalities to prepare Process Plans in conjunction with the District Framework Plan and set out the following:

- ▶ HOW the planning process will unfold per Municipality;
- ▶ WHAT actions are required;
- ▶ WHO will be responsible for implementing these actions;
- ▶ WHEN will the action have to be implemented; and
- ▶ What will the actions COST

The achievement of an aligned IDP process depends on the co-operation of all Municipalities in order to achieve the developmental objectives in the spirit of co-operative governance.

The Bela-Bela Local Municipality focus areas for 2020/21 IDP/SDF review, Budget and PMS will therefore be:

- ▶ Aligned with national and provincial policies
- ▶ Municipal processes will be aligned to national and provincial government
- ▶ planning and budgeting
