2. OBJECTIVES OF THE POLICY

2.1 The objectives of this policy are: –

- (1) to comply with the provisions of section 3 of the Act;
- (2) to determine criteria to be applied for –
 - (a) levying differential rates for different property categories;
 - (b) exemptions;
 - (c) reductions; (d) rebates; and
 - (e) rate increases.

- (3) to determine or provide criteria for the determination of the following - (a) property categories for the purpose of levying different rates; and
(b) categories of owners of properties for the purpose of granting exemptions, rebates and reductions;
- (4) to determine how the Municipality's power should be exercised in terms of multiple-use properties;
- (5) to identify and quantify the following for the Municipality in terms of costs and the benefit for the community –
(a) exemptions, rebates and reductions; and (b) exclusions.
- (6) to take into account the effect of rates on the indigent;
- (7) to take into account the effect of rates on organisations that perform activities for public benefit;
- (8) to take into account the effect of rates on the public services infrastructure; (9) to determine measures for promoting local economic and social development; and
- (10) to identify all rateable revenue not being rated.

3. POLICY PRINCIPLES

- 3.1 Apart from meeting legislative requirements, this policy also emanates from the objectives determined in Council's anti-corruption policy.
- 3.2 The levying of rate on a property is an exclusive right of the Municipality which will be exercised:–
 - (a) optimally and comprehensively within the Municipality; and
 - (b) with consideration of the total revenue source of the Municipality.
- 3.3 The rating of properties will be done independently, justly, equitably and without prejudice and this principle will also be applied with the determination of criteria for exemptions, reductions and rebates as provided for in section 15 of the Act.
- 3.4 The levying of property rates must be implemented in such a way that: -
 - (a) it is aimed at development;
 - (b) it promotes sustainable local government by providing a stable and constant revenue source within the discretionary control of the Municipality; and (c) it promotes economic, social and local development.
- 3.5 Property rates will be levied to: –
 - (a) correct the imbalances of the past; and
 - (b) minimise the effect of rates on the indigent.
- 3.6 The market value of a property serves as basis for the calculation of property rates.
- 3.7 The rate tariff will be based on the value of all rateable properties and the amount the Municipality needs to fund community and subsidised services, after taking into account any possible surplus generated from trading and economic services and the amounts required to finance exemptions, rebates and reductions of rate, as approved by council from time to time.

- 3.8 Trade and economic services will be financially ring fenced and tariffs and service charges will as far as possible be calculated in such a way that the revenue generated covers the cost of the services or generate a surplus.
- 3.9 The provision for operating capital and bad debt must be related to community and subsidised services and must not include any provisions in respect of trade and economic services.
- 3.10 Property rates will be used to finance community and subsidised services.
- 3.11 Surpluses from trade and economic services may be used to subsidise community and subsidised services.
- 3.12 The revenue basis of the Municipality will be optimally protected by limiting the exemptions, rebates and reductions.

No 57 of 2003), or of a national botanical garden within the meaning of the National Environmental Management Biodiversity Act, 2004 (Act No 10 of 2004), which are not developed or used for commercial, business, residential or agricultural purposes.

- b. on mineral rights within the meaning of paragraph (b) of the definition for “property” in section 1 of the Act.
- c. on a property belonging to a land reform beneficiary or his or her heirs, provided that the exclusion lapses ten years from the date on which such beneficiary’s title was registered in the Deeds register.
- d. on a property registered in the name of and primarily used as a place of public worship, including an official residence registered in the name of the church that is occupied by an office-bearer who acts as official of the church.

12. REBATES

12.1 Categories of properties

12.1.1 Residential properties

The Municipality annually grants a rebate to owners of properties used for residential purposes. Such a rebate is in relation to the extent of rate-funded services that the Municipality renders in respect of such properties. The owners of vacant land properties, irrespective of their intended use shall not qualify for this rebate. For the 2025/2026 financial year the rebate is determined as 10%.

12.1.2 Privately owned townships and properties serviced by the owner

The Municipality grants a rebate, to be determined on an annual basis, which applies to privately owned townships serviced by the owners as defined in terms of paragraph 1 of this policy. Applications to this effect must be addressed once off in writing to the Municipality by 30 June, the last day prior to the beginning of the financial year in respect of which the rate is levied. If the rebate applied for is granted the rebate will apply for the full financial year. Applications made after the closing date will only be accepted for properties registered in the deeds office after 30 June 2024. Any other applications received after 30 June will not be considered for the financial year in respect of which rates are levied. For the 2025/2026 financial year the rebate is determined as 40%.

12.1.3 Farm properties and smallholdings used for residential purposes - The Municipality annually grants a rebate to owners of farm properties and smallholdings that are used for residential purposes. Such a rebate is in relation to the extent of rate-funded services that the Municipality renders in respect of such properties. The owners of vacant land properties, irrespective of their intended use shall not qualify for this rebate. For the 2025/2026 financial year the rebate is determined as 40%.

12.1.4 Properties used for agricultural purposes (Bona Fide farmers)

The Municipality grants a rebate to be determined on an annual basis, which applies to properties used for agricultural purposes;

- i. In terms of section 84 of the Act the Minister for Provincial and Local Government, and in concurrence with the Minister of Finance as required through section 19 of the Act, may

determine that a rate levied by council on a category of non-residential property may not exceed a prescribed ratio (1:0.25) to the tariff levied on residential properties. The ratio for agricultural properties is determined as 1:0.12 for the 2024/2025 financial year. ii. The granting of bona fide rebates is subject to the following: –

- a. All applications must be addressed in writing to the Municipality attached with the letter from SARS in being taxed as a farmer or letter from a registered book keeper declaring that 40% of total income is from farming activities.
- b. Applications for the new financial year must be addressed in writing to the Municipality by 30 June, the last day prior to the beginning of the financial year in respect of which the application is made. If the rebate applied for is granted the rebate will apply for the full financial year.
- c. Applications made after the closing date will only be accepted for properties registered in the deeds office after 30 June 2026
- d. Any other applications received after 30 June will not be considered for the financial year in respect of which rates are levied.
- e. Council reserves the right to send officials or its agents on an annual basis to premises/households receiving relief for the purposes of conducting an on-site audit of the details supplied. The onus also rests on recipients to immediately notify Council of any changes in their original applications.
- f. The Municipality retains the right to refuse applications for rebates if the details supplied in the application form were incomplete, incorrect or false

No further rebates will be granted to properties that qualify for the agricultural rebate. In order to avoid doubt, properties that qualify for the agricultural rebate will not be entitled to the residential rate exemption as set out in paragraph 10.1.1.2 of this policy. For the 2025/2026 financial year the rebate is determined as 55%.

12.2 Categories of Owners

12.2.1 Indigent owners - The owners that qualify and are registered indigents in terms of the Municipality's policy for indigents receive a rebate on the payment of rates as specified in the Municipality's policy for indigents. In terms of the current policy, registered indigents shall be fully subsidised. If they qualify in terms of the Municipality's policy for indigents these rebates will automatically be applied and no further application is necessary.

12.2.2 Rebates for retired and disabled persons

12.2.2.1 Retired and disabled persons qualify for special rebates in accordance with their monthly household income. Property owners who meet the following requirements may apply for a rebate:–

- (a) The property must be registered in the name of the applicant or the usufruct of the property must be established in the name of the applicant.
- (b) The owner must be at least sixty (60) years of age or in receipt of a disability pension from the Department of Welfare and Population Development.
- (c) Only one application per person (owner) in respect of one property only shall qualify for consideration.

- (d) The owner must occupy the relevant property. Where the owner is unable to occupy the property due to no fault of his/her own, the spouse or minor children may satisfy the occupancy requirement.
- (e) In the case of a semi-detached house, of which a section is rented out, only the rates paid on that section occupied by the owner is subject to rebates.
- (f) If the owner is a disabled person who receives a disability grant from the government or a person who, due to medical reasons, had to take early retirement, the age requirement as in section 10.2.2.1(b) will not apply.
- (g) **Total Income for the total household must be R12 629,69 or less (The threshold income is net income after medical expenses)**

12.2.2.2 The Municipality grants a rebate, to be determined on an annual basis, for retired and disabled persons that do not qualify in terms of Council's approved Indigent policy. For the 2025/2026 financial year rebates is determined as 30%

12.2.2.3 Property owners must apply for a rebate on a prescribed form as stipulated by the Municipality, and these applications must reach the Municipality by 30 June, the last day prior to the beginning of the financial year in respect of which rates are levied. If the rebate applied for is granted, the rebate will apply for the full financial year. Applications made after the closing date will only be accepted for properties registered in the deeds office after 30 June 2026

Any other applications received after 30 June will not be considered for the financial year in respect of which rates are levied.

12.2.2.4 The Municipality retains the right to refuse the granting of rebates if the details supplied in the application were incomplete, incorrect or false.

12.2.2.5 Applications as intended in paragraph 12.2.2 must be accompanied by the following information: –

- (a) a certified copy of the identity document of the owner or any other proof of the owner's age which is acceptable to the Municipality;
- (b) sufficient proof of income of the owner and the his/her spouse;
- (c) Affidavit or Sufficient proof that the usufruct of the property has been established in the name of the applicant ;
- (d) if the owner is a disabled person, satisfactory proof submitted to the Municipality that the relevant person receives a disability pension payable by the state; and
- (e) proof of early retirement if the owner has retired at an earlier stage due to medical reasons.

13. REDUCTIONS

13.1 Reductions as contemplated in section 15 of the Act will be considered on an ad-hoc basis in the event of the following:-

13.1.1 Partial or total destruction of a property; or

13.1.2 Disasters as defined in the Disaster Management Act, 2002 (Act 57 of 2002).

13.2 The following conditions shall be applicable in respect of clause 13.1:-

13.2.1 The owner of the property referred to in clause 13.1.1 shall apply in writing for a reduction and the onus will rest on such applicant to prove to the satisfaction of the Municipality that his

property has been totally or partially destroyed. He/ she will also have to indicate to what extent the property can still be used and the impact on the value of the property.

13.2.2 Owners of property referred to in clause 13.1.2 will only qualify for a rebate if affected by a disaster as referred to in the Disaster Management Act, 2002 (Act No. 57 of 2002).

13.2.3 A maximum reduction to be determined on an annual basis shall be allowed in respect of both clauses 13.1.1 and 13.1.2. For the 2025/2026 financial year the maximum reduction is determined as 80%.

13.2.4 An ad-hoc reduction will not be given for a period in excess of 6 months, unless the Municipality gives further extension on application.

13.2.5 If rates were paid in advance prior to granting of a reduction the Municipality will give credit to such an owner as from the date of reduction until the date of lapse of the reduction or the end of the period for which payment was made whichever occurs first.

14. COST OF EXEMPTIONS, REBATES AND REDUCTIONS

14.1 The chief financial officer must inform council during the budgeting process of all the costs associated with the proposed exemptions, rebates, reductions, phasing-in of rates and grants in the place of rates.

14.2 Provision must be made on the operating budget for –

- (a) the full potential revenue associated with property rates; and (b)
- the full cost associated with exemptions, rebates and reductions.

15. PROPERTY REGISTER

15.1 A property register, divided into Sections A and B, regarding all properties in the municipal area of jurisdiction, must be compiled and maintained by the Municipality.

15.2 Section A of the register will consist of the current valuation roll of the Municipality and will include all supplementary valuations, as done from time to time.

15.3 Section B of the register will specify which properties on the valuation roll or any supplementary valuation roll are subject to: –

15.3.1 exemption from rates in terms of section 15 of the Act;

15.3.2 a reduction or rebate in terms of section 15; 15.3.3

the phasing in of tariffs in terms of section 21; and

15.3.4 exclusions as referred to in section 17.

15.4 The register will be open for inspection by the public during office hours at the head office of the Municipality or on the internet website of the Municipality.

15.5 Section A of the register will be updated at least annually by the Municipality during the supplementary valuation process.

15.6 Section B of the register will be updated annually as part of the implementation of the Municipality's annual budget.

16. NOTIFICATION OF RATES

- 16.1 Council will give notice at least 30 days before the rate approved during the annual budget meeting will come into effect. Accounts furnished after the 30 days' notice will be based on the new rates.
- 16.2 A notice containing the extent of council's resolution and the date on which the new rate will come into effect will be displayed by the Municipality at places installed for this purpose.

17. CONSULTATION PROCESS

- 17.1 Before council commands a new valuation in terms of the Act, a consultation process involving all interest groups will be undertaken during which the purpose and method of valuation will be explained.
- 17.2 Before the Municipality accepts the rates policy the municipal manager will follow a process of public participation, as prescribed in chapter 4 of the Municipal Systems Act, and comply with the following requirements: –
- 17.2.1 Display the draft property rates policy continuously for a period of thirty (30) days at the Municipality's head office, satellite offices and on the website.
- 17.2.2 Publish a notice in the media stating that the draft property rates policy was compiled for submission to council and that such a policy is available at the different municipal offices and on the website for public inspection.
- 17.2.3 Property owners and interested persons may obtain a copy of the draft policy from the municipal office during office hours at a prescribed cost per copy.
- 17.2.4 Property owners and interested parties are invited to address written suggestions or representations to the Municipality within the period prescribed in the notice.
- 17.2.5 Council will consider all suggestions and/or representations received during the finalisation of the property rates policy.

17. FURNISHING OF ACCOUNTS

- 18.1 The Municipality will furnish each person liable for the payment of a rate with a written account, specifying: -
- 18.1.1 the amount due for rates payable;
- 18.1.2 the date on or before which the amount is payable;
- 18.1.3 how the amount was calculated;
- 18.1.4 the market value of the property; and
- 18.1.5 exemptions, reductions and rebates or the phasing-in of rates, if applicable.
- 18.2 A person liable for the payment of rates remains liable for payment, whether or not that person has received a written account from the Municipality. Inquiries must be addressed to the Municipality by such a person who has not received a written account.
- 18.3 In the case of joint ownership the Municipality will, upon request, furnish written accounts to one or more individual owners.

18.4 In the case of joint ownership the Municipality may, in order to limit costs and prevent unnecessary administration, recover the rates continuously from one of the joint owners.

19. PAYMENT OF RATES

19.1 Council may claim the payment of rates: -

19.1.1 on a monthly basis; or

19.1.2 annually before 20 September of each year.

19.2 Rate payers may choose to pay rates in one instalment annually on or before 20 September of each year. The property owner subject to rates must notify the municipal manager or his/her nominee by no later than 30 June in any financial year, or such later date in the financial year as determined by the Municipality, that he/she wishes to pay all rates in respect of such a property in annual instalments, after which such an owner shall be entitled to pay all rates in the subsequent financial year and all subsequent financial years annually until he/she withdraws this notice in similar manner.

19.3 If a rate is payable: -

19.3.1 in a single amount annually, it must be paid on or before a date determined by the Municipality.

19.3.2 in instalments, it must be paid on or before a date in each period determined by the Municipality.

19.4 Interest on rates in arrear, whether paid annually or in equal monthly instalments, shall be calculated in accordance with the provisions of the Municipality's policy on credit control and debt collection.

19.5 If a property owner who in terms of this policy is liable for the payment of property rates fails to pay such rates in the prescribed manner, it will be recovered from him/her in accordance with the provisions of the Municipality's by-law on credit control and debt collection.

19.6 Rates in arrear shall be recovered from tenants, occupiers and agents for the owner in terms of section 28 and 29 of the Act and the Municipality's policy on credit control and debt collection.

19.7 In the event of rates levied emanating from a supplementary valuation, payment thereof will be according to the date determined by the Municipality and payment thereof may not be withheld pending an objection or appeal as determined by section 78(2) of the Act.

19.8 In the event that a property has been transferred to a new owner and rates emanating from a supplementary valuation become due and payable, the owner on date of the levy will be held responsible for the settlement of the interim rates account.

19.9 Where the rates on a specific property have been incorrectly determined, whether because of an error or omission on the part of the Municipality or false information provided by the property owner concerned, or a contravention of the permitted use to which the property concerned may be put, the rates payable shall be adjusted retrospectively for the period of the date on which the error or omission is detected, back to the date on which rates were first levied in terms of the current valuation roll.

19.10 Where the error occurred because of false information provided by the property owner or as a result of a contravention of the permitted use of the property, interest on the unpaid portion of the adjusted rates payable shall be levied at the maximum rate permitted by prevailing legislation.

19.12 Rates Clearance Certificates:-

19.12.1 Will be valid for up to 60 days;

19.12.2 No extension on a certificate will be granted. If it expires a new application for clearance must be made;

19.12.3 If the valid period surpasses 30 June, the total annual debit for the following financial year will be payable; and

19.12.4 Outstanding services and taxes on properties may only be recovered for a maximum period of two years.

19.12.5 Once the property is transferred to the new owner, rates and service charges will be levied on the new owner from the month following date of registration.

20. ADJUSTMENT OF RATES PRIOR TO SUPPLEMENTARY VALUATION

20.1 In circumstances where a valuation has been carried out by the municipal valuer in pursuance of a Supplementary Valuation (SV) in terms of section 78(1)(d) or 78(1)(f) of the MPRA as a result, for example, of a demolition having taken place on a property or a fire having destroyed buildings on a property, but the Municipality has not yet included such valuation of the relevant property in a SV, such valuation shall be submitted to the CFO for approval to levy rates on the property in accordance with such valuation, with effect from the date of the occurrence of the event which caused a SV to be required.

20.2 If the owner of a property which has been subdivided or consolidated after the last general valuation wishes to sell the consolidated erf, or one or more of the erven which have been subdivided off the parent erf, as the case may be, applies to the Municipality for a clearance certificate in terms of section 118 of the Systems Act and if the Municipality has not yet included such valuation of the relevant property(ies) in a SV, then:-

20.2.1 The municipal valuer shall conduct a valuation of the relevant property(ies) for purposes of a SV; and

20.2.2 The valuation shall be submitted to the CFO for approval of the levying of rates on such property(ies) in accordance with such valuation, with effect from the date on which the relevant subdivision or consolidation (as the case may be) was registered in the Deeds Office.

20.3 Any valuations performed in terms of paragraph 15 shall be included in the next SV prepared by the Municipality without any amendments to the valuation and any objections to such valuation may only be lodged once such SV is made public in terms of section 49 of the MPRA.

21. FREQUENCY OF VALUATIONS

21.1 The Municipality shall prepare a new valuation roll at least every five (5) years in accordance with section 19 of the Amendment Act.

21.2 In accordance with the Act the Municipality, under exceptional circumstances, may request the MEC for Local Government and Housing, to extend the validity of the valuation roll to seven (7) years in accordance with section 19 of the Amendment Act..

21.3 Supplementary valuations shall be done on a continual basis, but at least on an annual basis, in order to ensure that the valuation roll is maintained.

22. SHORT TITLE

This policy is the Property Rates Policy of the Bela Bela Municipality.

23. REVIEW PROCESSES

The Property Rates Policy must be reviewed on an annual basis to ensure that it complies with the strategic objectives of the Municipality, as stipulated in the Integrated Development Plan and other applicable legislation.

24. IMPLEMENTATION

This policy comes into effect on 1 July 2025 upon approval by municipal council.
