## 7. PERFORMANCE ASSESSMENT

7.1 The Performance Plan (Annexure A) to this Agreement sets out:

7.1.1 The standards and procedures for evaluating the Employee's performance; and

7.1.2 The intervals for the evaluation of the Employee's performance;

7.2 Despite the establishment of agreed intervals for evaluation, the **Employer** may in addition review the **Employee's** performance at any stage while the contract of employment remains in force;

7.3 Personal growth and development needs identified during any performance review discussion must be documented in a Personal Development Plan as well as the actions agreed to and implementation must take place within set time frames;

7.4 The **Employee's** performance will be measured in terms of contributions to the strategic objectives and strategies set out in the **Employer's** IDP.

7.5 The Annual performance appraisal will involve:

7.5.1 Assessment of the achievement of results as outlined in the Performance Plan

(a) Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to *ad-hoc* tasks that had to be performed under the KPA

(b) Values are supplied for KPI's and Activities under each KPA as part of the Institutional Assessment. Based on the Target for an activity or KPI, over or under performance are calculated and converted to the 1-5 point scale automatically. These scores are carried over to the applicable employee's performance plan. During assessment, the employee has a chance to submit evidence of performance where a disagreement

(c) The Employee will submit his self-evaluation to the Employer prior to the formal assessment; and

(d) An overall score will be calculated based on the total of the individual scores calculated above.

7.5.2 Assessment of the Leading Competencies and Core Competencies:

(a) There is no hierarchical connotation to the structure and all competencies are essential to the role of a senior manager to influence high performance.

(b) All competencies must therefore be considered as measurable and critical in assessing the level of a senior manager's performance.

(c) The competency framework is underscored by four (4) achievement levels that act as benchmark and minimum requirements for other human capital interventions, which are, recruitment and selection, learning and development, succession and planning, and promotion.

7.5.3 Achievement Levels

7.5.3.1 The achievement levels indicated in the table below serves as a benchmark for the appointments, succession planning and development interventions.

7.5.3.2 Individuals falling within the Basic range are deemed unsuitable for the role of senior manager, and caution should be applied in promoting and appointing such persons.

7.5.3.3 Individuals that operate in the Superior range are deemed highly competent and demonstrate an exceptional level of practical knowledge, attitude and quality. These individuals should be considered for higher positions, and should be earmarked for leadership programs and succession planning.

**5. ASSESSMENT RATING SCALE**

5	4	3	2	1
Outstanding Performance	Performance Significantly Above Expectations	Fully Effective	Not Fully Effective	Unacceptable Performance
Performance far exceeds the standard expected of an employee at this level. The appraisal indicates that the Employee has achieved above fully effective results against all performance criteria and indicators as specified in the PA and Performance Plan and maintained this in all areas of responsibility throughout the year.	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the Employee has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieved all others throughout the year.	Performance fully meets the standards expected in all areas of the job. The appraisal indicates that the Employee has fully achieved effective results against all significant performance criteria and indicators as specified in the Performance Agreements and Performance Plan.	Performance is below the standard required for the job in key areas. Performance meets some of the standards expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against more than half the key performances criteria and indicators as specified in the Performance Agreements and Performance Plan.	Performance does not meet the standard expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against almost all of the performance criteria and indicators as specified in the Performance Agreements and Performance Plan. The employee has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job despite management efforts to encourage improvement.

## 6. PERFORMANCE ASSESSMENT PROCESS

The following steps will be followed to ensure a fully participative and complaint performance assessment process is adhered to:

1. Performance Assessments
  - 1.1 Formal assessments between employee and employer will take place twice a year to measure the performance of the employee against the agreed performance targets.
  - 1.2 Progress against the targets will be captured in preparation for the assessments.
  - 1.3 Scores of 1-5 will be calculated based upon the progress against targets.
  - 1.4 Key Performance Indicators (KPI's) and targets are audited and copied to the performance plan before the assessment date.
  - 1.5 The employer must keep records of the assessment meetings.
2. The employee being assessed will compile a portfolio of evidence confirming the level of performance achieved for a given assessment period and made available to the panel on request.
3. The process determining employee rating is as follows:
  - 3.1 The employee to motivate for a higher rating where applicable
  - 3.2 The panel to rate the achievements for the KPI are on a 5 point scale. Decimal places can be used.
  - 3.3 The panel to rate the employee's core competency requirements (CCR) on the 5 point scale. Decimal places can be used.
