7. PERFORMANCE ASSESSMENT

7.1 The Performance Plan (Annexure A) to this Agreement sets out:

7.1.1 The standards and procedures for evaluating the Employee's performance; and

7.1.2 The intervals for the evaluation of the Employee's performance.

7.2 Despite the establishment of agreed intervals for evaluation, the **Employer** may in addition review the **Employee's** performance at any stage while the contract of employment remains in force.

7.3 Personal growth and development needs identified during any performance review discussion must be documented in a Personal Development Plan as well as the actions agreed to and implementation must take place within set time frames.

7.4 The **Employee's** performance will be measured in terms of contributions to the strategic objectives and strategies set out in the **Employer's** IDP.

7.5 The Annual performance appraisal will involve:

7.5.1 Assessment of the achievement of results as outlined in the Performance Plan

(a) Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to *ad-hoc* tasks that had to be performed under the KPA

(b) Values are supplied for KPI's and Activities under each KPA as part of the Institutional Assessment. Based on the Target for an activity or KPI, over or under performance are calculated and converted to the 1-5 point scale automatically. These scores are carried over to the applicable employee's performance plan. During assessment, the employee has a chance to submit evidence of performance where a disagreement

(c) The Employee will submit his self-evaluation to the Employer prior to the formal assessment; and

(d) An overall score will be calculated based on the total of the individual scores calculated above.

7.5.2 Assessment of the Leading Competencies and Core Competencies:

(a) There is no hierarchical connotation to the structure and all competencies are essential to the role of a senior manager to influence high performance.

(b) All competencies must therefore be considered as measurable and critical in assessing the level of a senior manager's performance.

(c) The competency framework is underscored by four (4) achievement levels that act as benchmark and minimum requirements for other human capital interventions, which are, recruitment and selection, learning and development, succession and planning, and promotion.

6. PERFORMANCE ASSESSMENT PROCESS

The following steps will be followed to ensure a fully participative and complaint performance assessment process is adhered to:

1. Performance Assessments
 - 1.1 Formal assessments between employee and employer will take place twice a year to measure the performance of the employee against the agreed performance targets.
 - 1.2 Progress against the targets will be captured in preparation for the assessments.
 - 1.3 Scores of 1-5 will be calculated based upon the progress against targets.
 - 1.4 Key Performance Indicators (KPI's) and targets are audited and copied to the performance plan before the assessment date.
 - 1.5 The employer must keep records of the assessment meetings.
2. The employee being assessed will compile a portfolio of evidence confirming the level of performance achieved for a given assessment period and made available to the panel on request.
3. The process determining employee rating is as follows:
 - 3.1 The employee to motivate for a higher rating where applicable
 - 3.2 The panel to rate the achievements for the KPI are on a 5 point scale. Decimal places can be used.
 - 3.3 The panel to rate the employee's core competency requirements (CCR) on the 5 point scale. Decimal places can be used.
 - 3.4 The panel scores are averaged to arrive at a total score per KPI / CCR. Overall scores are calculated by taking weights into account where applicable.
 - 3.5 The final KPA's rating will account for 80% of the final assessment total. The CCR are to account for 20% of the final assessment total.
4. The five point rating scale referred to in regulation 805 correspond as follows:

Rating	1	2	3	4	5
--------	---	---	---	---	---
5. The assessment rating calculator is used to calculate the overall % for performance.
6. The personal development plan can be (PDP) can be reviewed after the performance assessments had been finalised in case where more clarity has been established on what the essential development needs for the relevant employee will be.

7. APPROVAL OF THE PERFORMANCE PLAN
